Dear Father Louis:

This is just to report the safe return <sup>today</sup> of the John Steevens photo's, book + to say that I had a long talk this morning with Dona Luisa. She will be glad to give you what help she can. It is of course extremely difficult to select from the great number of A.K.C.'s published writings those that would be most interesting to you. It occurred to me that you might like to study Walter Shewring's Carmen written for C's 70<sup>th</sup> birthday. W.S. is an advisor of the Catholic Art Association, the editor of Eric Gill's Letters, + teaches classes at Hempleforth. I think you have his Making and Thinking. He is a most unusually gifted man, and a devoted disciple of Eric's. So I have copied out the Carmen from the best of the Fest-schrift books - Art and Thought. This book appeared just at the time of A.K.C.'s death.

With best wishes,

G.C.
