A CHURCH PEACE MISSION PAMPHLET

CHURCH PEACE MISSION PAMPHLETS in the present series deal with nuclear and cold war problems in the perspectives of biblical theology. Dedicated to the need for ethical reconstruction in the "post-Christendom" era, they are intended as a contribution to the reflective dialogue within the Church. Titles now available are listed below, with others to follow. Quantity prices available.

"These essays . . . are tough in their thinking. All . . . write from the Christian standpoint; most are Biblical specialists; the problem all address themselves to is nuclear warfare." — ROLAND H. BAINTON

"The startling thing about the book is the new ground broken . . . this is no rehash of earlier pacifist or antiwar literature." — JOHN M. SWOMLEY, JR., in *Christian Century*
