Our Lady of Gethsemani
Trappist, Kentucky

May 23

Dear Graham

I liked this piece by Dom Bede very much. It would be wonderful if he could come down here when he is in the country. Why don't you and he come together? I will ask Father Abbot's permission, he is not here now.

I had a piece in the Catholic World somewhat like this recently. Did you happen to see it? I don't have an extra copy or I would send one.

Cordially yours in Christ

Tom
