

Dec 21-83

Dear Mr Shannon:

I feel so badly about  
not replying before this.

Someone re-arranged  
my papers - since I am doing  
some writing. I have looked  
in every corner for the file with  
the Martin correspondence -  
with no result. I'll start again in  
the New Year.

The Martin film is  
very good.

Peace,  
Allen Jay
