

CITIZENS COMMITTEE TO

ABOLISH SCHOOL SHELTER DRILLS

ROOM 1025, 5 BEEKMAN STREET, NEW YORK 38 / CORTLAND 7-4592

Dear Tom,

Because 1969 is the 100th anniversary of Gandhi's birth, ~~next~~ the annual WRL calendar for that year will consist of quotes from and about Gandhi. Edited by Mark Morris, it promises to be a significant collection in the tradition of earlier WRL calendars. Each WRL calendar has an introduction (in previous years they have been written by the likes of Louis Untermeyer, Paul Goodman, Dwight MacD~~onald~~). We think that you would be just the right person to write this year's.

If you can spare the time to do it, we can either send you about half of the copy now or all of it ~~later~~ in a couple of weeks. In any event time is getting short because it takes a while to get the type set, etc. so please let us know as soon as possible if you can do it.

Your friend in Christ,

Jim Forest
