THOMAS  
MERTON

Within a year of its publication in 1948, *The Seven Storey Mountain* had sold hundreds of thousands of copies and had become a classic for Catholics and non-Catholics alike. This unique spiritual autobiography is the account of the growing restlessness of a brilliant and passionate young man whose search for peace and faith eventually led him, at the age of twenty-six, to take vows in one of the most demanding religious orders, the Trappists.

At the monastery, within the “four walls of my new freedom,” Merton wrote his extraordinary testament — the document of a man who withdrew from the world only after he had fully immersed himself in it.

“The book is written simply; the sensory images of boyhood are wonderful, and the incisive quality of his criticism, that tartness of his humor have not been sentimentalized by Merton’s entry into a monastery. . . .”

— *Commonweal*

“Essentially the odyssey of a soul. . . . It has warmth and gusto and Augustinian wit.”

— *Saturday Review of Literature*
