Dear Graham.

Many thanks for the pictures
 of P. Watts' sculptures which returned
 safely. I expect the article will be
 quite helpful. The article on the Shakers
 is most inspiring. I really want to
 do something on them, but have no
 time now. I suggested to Dina
 Lison that as an idea for a limited
 edition by Victor Harnois, it might
 be good to get together some
 aphorisms of Luomaraswamy, either
 quoted from recorded conversations or
 extracted from his ~~essays~~ ^{works}. I think this
 has a lot to recommend it. What do you
 think about it? In the pen
