

ABBAY OF GETHSEMANI
TRAPPIST, KENTUCKY

Dear Graham

I am very sorry for the delay in getting these pictures of Peter Watts' work to you. It took a little time to round them up. Unfortunately the one of St Benedict is not too good.

For information - you can write to him at 108 Walcot Street, Bath, Somerset. (England). I am sure an article on him will be very worth while. He has other things he might send you, notably a rather good one of St Thomas More.

Dorinda has sent two very fine letters - I am very grateful & will reply soon.

all best wishes & blessings in Chr
