THOMAS MERTON  
THE SEVEN STOREY MOUNTAIN

Fiftieth Anniversary Edition

with an Introduction by  
ROBERT GIROUX

and a Note to the Reader by  
WILLIAM H. SHANNON

In 1948, an unusual book appeared on the American horizon that was destined to change the lives of millions of people. It was Thomas Merton's *The Seven Storey Mountain*.

This unique spiritual autobiography is the account of the growing restlessness of a brilliant and passionate young man whose search for peace and faith eventually leads him, at the age of twenty-six, to take vows in one of the most demanding religious orders—the Trappists. At the monastery, and within the “four walls of my new freedom,” Merton wrote this extraordinary testament—a document of a man who withdrew from the world only after he had fully immersed himself in it.

For this beautiful Fiftieth Anniversary Edition, Robert Giroux has written a memoir of how he came to publish *The Seven Storey Mountain*, and Merton's distinguished biographer, William H. Shannon, has supplied a note for the reader.

In all, a magnificent edition of a classic of spiritual experience.
