Dear Father Merton,

I've just written to Sheed & Ward to send you a copy of my book. Yes, Don Helder was most encouraging about it; he encouraged me to continue working on it when I was almost ready to give it up - thinking it would embitter me about the Church. He was right & I don't feel bitter, but I am

prepared for it to be misunderstood, But I  
haven't seen the Critic yet!

Yes, I'd like a copy of your latest  
book. Thanks a lot for your letter

Sincerely yours,  
Dorothy Cohen
